Item # 09-101302

Used Dock Mount De-Icer

**Save \$200.00!**

**Mounts quickly and easily to almost any dock.**

**Helps prevent dock pilings from being lifted by acting as a buffer to prevent ice expansion and pressure damage.**

**Keeps ice from forming by bringing warmer water from the bottom and sending it out in a continuous agitated movement.**

**YOUR PRICE is \$500.00!!**

Priced NEW at \$700.00
