

ShoreStation Canopies

ShoreStation's vinyl-coated nylon fabric canopy features the innovative PoolSnap attaching system and a longer valance for added protection.

Canopies are available in five great color options — Blue, Tan, Green, White, and Gray — so you can select the one that will best complement your taste, boat, and dock area.

Installation is a Snap!

ShoreStation[®]
The original since 1959

ShoreStation canopy covers feature the innovative PoolSnap attaching system — the easiest canopy cover installation system ShoreStation has ever offered.

The PoolSnap system features a design with a bungee cord sewn into the canopy. This bungee is simply looped over a set of spools on the canopy frame for a snug fit and easy removal.

The PoolSnap system is now standard on all ShoreStation canopy covers.
