FOR IMMEDIATE RELEASE

Tiger Docks Completes 2nd Project for City of Belleville, Illinois

O'FALLON, MO (December 2014) – Tiger Docks™ recently completed a second ADA Fishing Dock for the City of Belleville, Illinois.

“We were so pleased with what Tiger Docks did at Belleville’s Bicentennial Park two years ago that it was an easy decision to choose them as the contractor for the second project just completed at South Side Park,” said Jason Poole, assistant director of parks and recreation.

Both projects included manufacturing and installing a 12’ x12’ premium galvanized steel truss floating dock and bridge system featuring ADA handrails, a bench and Trex Transcend “Tree House” composite decking. Tiger Docks’ trademarked dock design includes steel truss frames and encapsulated foam flotation.

The City of Belleville added fishing docks to Bicentennial and South Side parks in conjunction with an Open Space Lands Acquisition and Development (OSLAD) grant. Tiger Docks was awarded the business based on manufacturing a quality product and providing expert workmanship at a competitive price. The repeat business was due to the city's positive first experience.

"We strive to provide the most reliable products available to both the residential and commercial markets," said Marv Davis, Tiger Docks CFO and Vice President Commercial / Military Sales. "We know that communication, service and attention to detail are important to individuals as well as to public and private organizations of every size."

Headquartered in St. Charles County, Missouri, Tiger Docks has customers throughout the United States and in several other countries. Their products and services include floating boat docks, boat lifts, PWC (personal watercraft) lifts, wakeboarding water features, dock accessories, seawall projects, modular steel work barges, and marina development, with manufacturing and retail space in O'Fallon, Missouri, and a retail store in Honolulu. For more information, please visit Tiger Docks at www.tigerdocks.com or 1613 East Terra Lane in O'Fallon, Missouri, or call 636-272-4300.

###

About Tiger Docks

Founded in 1995, Tiger Docks™ is a floating dock manufacturer and marine construction company serving residential, commercial, industrial, community and government customers across the United States and abroad. Tiger Docks' efficient design-build system saves its clients time and money. Tiger Docks' vision is to use the latest technological advancements to build waterfront environments in which people can work, live and play. Tiger Docks offers quality products and expert advice, both in partnership with business and military clients and on behalf of families who are creating lasting memories. In addition to its design-build services, Tiger Docks is also a distributor of quality boat lifts and marine accessories.
