FOR IMMEDIATE RELEASE

## Tiger Docks Completes ADA Fishing Dock for City of Waterloo, Illinois

O'FALLON, MO (October 2014) – Tiger Docks™ recently completed an installation for the City of Waterloo, Illinois, that transformed their City Reservoir #1 into a handicapped-accessible place for all citizens to fish and enjoy quiet reflection.

This 16'x24' dock with an extra-wide 6'x30' galvanized steel bridge features ADA handrails, two benches, specially-designed deck railing that makes for easier fishing from wheelchair height, and Trex Transcend composite decking. The dock is built on steel truss frames and includes encapsulated flotation.

### About Tiger Docks

*Founded in 1995, Tiger Docks™ is a floating dock manufacturer and marine construction company serving residential, commercial, industrial, community and government customers across the United States and abroad. Tiger Docks' efficient design-build system saves its clients time and money. Tiger Docks' vision is to use the latest technological advancements to build waterfront environments in which people can work, live and play. Tiger Docks offers quality products and expert advice, both in partnership with business and military clients and on behalf of families who are creating lasting memories. In addition to its design-build services, Tiger Docks is also a distributor of quality boat lifts and marine accessories.*
