St. Louis Boat Show Feb 26-Mar 2, 2014

Mark Adams and Rebecca Doyle from the National Marine Manufacturers Association present Tiger Docks' Marv Davis with the Best Boat Lift Display award at their 2014 St. Louis show. This is the second time in three years that Tiger Docks was recognized with this award for the creative presentation of our products and services at the NMMA's annual boat and sportshow in St. Louis. The inclusion of a double decker dock was a first in the event's 60-year history.
