Now  
Available

**Pro Series Water Features  
for Wakeboarders**

**FUN BOX SLIDER**

**75-ft Fun Box Slider**

**Built for Fair Saint Louis and Midwest NightFLY 2014**

*The core of any feature is how it floats and reacts when forces are applied to it;  
we have the experience to get this right.*

- Commercial-grade skeletal construction
  - HDPE plastic sliding surface
- Encapsulated flotation assures years of rugged use
  - Can be delivered to your site

*Please call for pricing and additional information.*
