FOR IMMEDIATE RELEASE

### Tiger Docks® Featured in O'Fallon TV Show

O'FALLON, MO (July 7, 2015) – Tiger Docks' company video debuted over the holiday weekend and will be featured in the City of O'Fallon's "Keep it in the O" TV show throughout the month of July. The video is also available on YouTube at any time: <https://youtu.be/lue4mDiO3ow>

Tiger Docks' president, Nick Davis, helped tell the dock manufacturer's story: Tiger Docks custom engineers boat docks and other waterfront construction projects for commercial, industrial, government and residential clients and is a distributor for boat lifts and other marine products. In business for 20 years, Tiger Docks' ongoing growth led them to relocate to O'Fallon in 2005, where they now employ 20 people in the areas of sales, design, fabrication, assembly and installation. Clients served range from residents, marinas, and state and local governments across the United States, to the U.S. Navy at Pearl Harbor, to commercial interests abroad.
